## DEKO-25TBK

## Pair of 2.5" full-range compact loudspeaker, black

This full-range speaker for the fixed-installation market is the result of the perfect combination of elegant and refined design, compactness, and superior quality sound. It is made for any indoor environment (available in both black and white color) and it adapts to any domestic or non-domestic installation solution, such as multi-room audio systems, meeting sales, shops.
DEKO-25T compact series speakers feature a $2.5^{\prime \prime}$ ( 63 mm approx.) full-range transducer with high dynamic excursion, and reinforced paper cone. Also include a 100V line transformer for quick integration into constant voltage lines. The 100 V power tap is $6 \mathrm{~W} @ 100 \mathrm{~V}$; maximum power is 30 W . The compact size of this woofer let us make a speaker of only $87 \times 94 \times 94 \mathrm{~mm}$, able to integrate into any interior without compromising sound quality.
Whether it is a domestic environment or a bar or shop, if combined with one or more subwoofers with a cut around $120-150 \mathrm{~Hz}$, it is possible to obtain an excellent result in terms of coverage and audio quality.

## SPECIFICATIONS

## Key features

Compact and lightweight, suitable for any environment
Bracket with horizontal and vertical angle adjustable by $+/-30^{\circ}$
Superior sound with wide coverage
Built-in 100V line transformer
Easy installation thanks to the included bracket
Color
Black

## Specifications

Full-range speaker

| Power RMS/Peak (100V) | 6W/30W |
| :---: | :---: |
| Frequency response | $100 \mathrm{~Hz}-20 \mathrm{kHz}( \pm 3 \mathrm{~dB})$ |
| Sensitivity | 90dB (1W@1m) |
| Coverage | $175^{\circ}$ (HxV) |
| Woofer | 2.5" Paper Cone, Full-Range |
| Housing | ABS with Metal Grille |
| Speaker Size (WxDxH) | $94 \times 87 \times 94 \mathrm{~mm}$ (bracket not included); $94 \times 87 \times 135$ (max., with bracket, $0^{\circ}$ angle) |
| Bracket Size (WxDxH) | $55 \times 55 \times 45 \mathrm{~mm}$ |
| Speaker Weight | 0.503 kg (single speaker with bracket) |
| Color | Black |
| Carton Size (WxDxH) | $180 \times 125 \times 255 \mathrm{~mm}$ (including 2 speakers and 2 brackets) |
| Carton Weight | 1 kg |
