

REF.81992

## EDL-206

### TECHNICAL SPECIFICATIONS

| 81992                 | MIN | NORMAL  | MAX   |        | COMMENTS        |
|-----------------------|-----|---------|-------|--------|-----------------|
| Active/passive        |     |         |       |        | Passive         |
| Transmission method   |     | 100V    |       |        |                 |
| Power rating (RMS)    | 2,5 |         | 20    | W      | 2,5-5-10-15-20W |
| Frequency range       | 85  |         | 18000 | Hz     |                 |
| Sensivity             |     | 90      |       | dB/W/m |                 |
| Mounting cutout       |     | 132     |       | mm     |                 |
| Mounting depth        |     | 110     |       | mm     |                 |
| Protective class      |     | IP44    |       |        |                 |
| Colour                |     |         |       |        | White           |
| Admiss. Ambient temp. | 0   |         | 40    | °C     |                 |
| Dimensions            |     | 180x130 |       | mm     |                 |
| Weight                |     | 0,9     |       | Kg     |                 |
| Inputs                |     |         |       |        | Power taps      |

### ESPECIFICACIONES TÉCNICAS

| 81992                  | MIN | NORMAL  | MAX   |        | COMENTARIOS        |
|------------------------|-----|---------|-------|--------|--------------------|
| Activo/pasivo          |     |         |       |        | Pasivo             |
| Métodode transmisión   |     | 100V    |       |        |                    |
| Potencia               | 2,5 |         | 20    | W      | 2,5-5-10-15-20W    |
| Frecuencia             | 85  |         | 18000 | Hz     |                    |
